A WRIT OF EXECUTION

MARICOPA COUNTY JUSTICE COURTS

A Writ of Execution allows the Constable to seize the judgment debtor's non-exempt PERSONAL PROPERTY and hold it for sale at public auction, for the purpose of satisfying the judgment. There are issuance fees and constable fees associated with a writ of execution.

There are two types of writs of execution. A special writ instructs the constable to execute on specifically identified property. A general writ instructs the constable to seize any non-exempt personal property (at their discretion and according to law) that the constable may find at the address provided by you (the judgment creditor).

After being signed by the judge, the writ will be forwarded to the constable of the precinct where the property is located. If the constable determines there is insufficient personal property to satisfy the judgment, the writ will be returned unsatisfied. The constable has up to 60 days to execute the writ. You should contact the constable if you have questions.
