Rule 38(d), Rules of Protective Order Procedure, allows a plaintiff to file an amended petition at a contested hearing. If you file an amended petition and add more allegations here, the judge must allow the defendant an opportunity to ask for the hearing to be continued to another day or grant a brief recess so the defendant can review and prepare for these additional allegations. The defendant may also choose to waive a continuance or a recess, and the contested hearing will proceed as scheduled.

Tell the judge additional information that you did not include on your original petition. Any events you add must have occurred before you applied for the protective order. Print both the dates and a brief description of what happened.

Approx. Date Required	(Do not write on back or in the margin. Attach additional paper if necessary.)

Under penalty of perjury, I swear or affirm that the above statements are true to the best of my knowledge. I request an order or an injunction granting relief as allowed by law.
