

Maricopa County Justice Courts

ACCESS TO COURT RECORDS (3 forms on following pages)

1. Policy and Philosophy

The Maricopa County Justice Courts follow Arizona Supreme Court [Rule 123](#) concerning public documents and records requests.

Rule 123 was adopted to govern public access to the records of all courts and administrative offices of the judicial departments of the State of Arizona. These records are presumed to be open to the public for inspection or copying at all times during regular office hours at the office having custody of the records.

Some information is required by law and Rule 123 to be redacted prior to providing court records. Redactions will be clearly marked. This includes, but is not limited to Social Security Number, financial account numbers, health records, etc.

2. Fees for Court Documents

In general, costs may include a 50-cents per page copy fee, and \$28 fees for each computer disc, certification, and clerk time. See [ARS §22- 281](#).

Rule 123 draws a distinction between commercial and non-commercial requests:

Commercial requesters are those who may be expected to use the record for the purpose of sale or resale, or for any purpose in which the purchaser can reasonably anticipate the receipt of monetary gain.

Non-commercial requesters include those who are a party to the case, the general public, government agencies, non-profit agencies, the media, etc. The clerk fee is waived for these requests.

3. Bulk Data

It is possible to purchase data containing details of all new justice court case filings and case terminations, as well as current detailed information on all pending justice court cases in which activity occurred during the previous month. The cost is \$28 per month. Data is provided in .txt files which may be imported into database software.

Neither CTS nor the Justice Courts provide technical support in using the files as long as the data is readable and not corrupt.

4. Submitting Requests

Parties to a case, governments needing records for background purposes, and other public/private citizens should send their request to the specific court which adjudicated the case.

Requests from media, academics, or non-profits should go to the Justice Courts' Public Information Officer: MCJC-PIO@jbazmc.maricopa.gov.
